

### **Addendum A – Terms & Conditions For Shipped Cooled Semen**

The following are Terms and Conditions for breeding Mare to Stallion via shipped cooled semen:

1. Please remember that a signed breeding contract, all deposits and fees for collection and shipment, and all breeding fees and expenses must be submitted and paid to Pine Meadow Quarter Horses prior to making a request for any shipment.
2. All shipping charges will be the Mare Owner's responsibility. All shipping charges must be paid in full before semen will be shipped to the Mare. The shipping fee is FedEx charges plus \$50.00.
3. A \$300 Equitainer deposit is due prior to the first shipment of semen.. The Equitainer must be returned to Equine Medical Center at Mare Owner's expense within five (5) days of its arrival. Failure to comply with this term will result in the accrual of a \$25 per day late fee and the potential forfeiture of the Equitainer deposit and an additional deposit will then be required for any subsequent shipments. Any loss or damage to the Equitainer or any of its parts or pieces will be the responsibility of the Mare Owner and any compensation for loss or damage may be taken from the deposit. The deposit may also be held until any balance due for shipping expenses and late fees have been paid. Mare Owner is responsible if the Equitainer is lost or damaged during return shipping. Disposable containers are available for cooled shipped semen at a cost of \$40.00.
4. Ordering and confirming the availability of shipped semen is the Mare Owner's responsibility. Mare Owner shall give advance notice of general shipping date to Pine Meadow QH Farms to guarantee the availability of semen. Once the anticipated shipment has been established, a confirmed semen order must be made BEFORE 9 AM EST of the collection day. Pine Meadow QH Farms cannot guarantee semen shipment availability for late calls, but will do its best to provide service. Any late calls that can result in a shipment may be subject to a \$50.00 late charge, which must be paid prior to shipping.
