Mare Name: \_\_\_\_\_

Registration No.: \_\_\_\_\_

2. Breeding Fee. The breeding fee shall be \$1,750, which includes a nonrefundable booking fee of \$500.00, which is due upon execution of this Agreement. However, if the booking fee is paid before November 31<sup>st</sup>, the fee will be discounted to \$1,000.00. Mare Owner agrees to pay a collection and processing fee of \$250.00 and the balance of the breeding fee and any other fees and expenses before any shipment of semen shall be made.

3. Shipping Terms and Conditions. Breeding provided by fresh cooled semen will be shipped according to the terms and conditions for shipped cooled semen set forth in Addendum A and fully incorporated herein. Breeding provided by frozen semen will be shipped according to the terms and conditions for frozen semen set forth in Addendum B and fully incorporated herein.

4. Semen Handling. Mare Owner agrees to assume responsibility for all facets of breeding the Mare and agrees to comply with all breed registry requirements concerning the use and handling of cooled or frozen semen. PMQH Farms agrees to ship semen to the location designated by Mare Owner, but Mare Owner agrees and certifies that only a qualified and experienced person in the use and handling of transported semen and who practices equine reproduction as a regular part of his/her practice will perform the insemination. Mare Owner agrees to use all semen provided by this Agreement solely to breed the Mare named in this Agreement.

Any attempt to use any portion of any semen shipped to Mare Owner to breed any mare other than the Mare shall automatically terminate all obligations of PMQH Farms under this Agreement and result in forfeiture of all breeding fees, balance of shipping fees, collection deposits and the right to a breeder’s certificate. Any unused semen must be returned to Equine Medical Center or, with written permission, destroyed by a veterinarian. If multiple shipments of semen are requested, PMQH Farms reserves the right to request a negative uterine culture, cytology or biopsy prior to sending further shipments.

PMQH BREEDING CONTRACT

PMQH Farms in its sole discretion may refuse to ship semen if PMQH Farms believes the insemination is not proper or the Mare is not healthy.

5. Disclaimer. PMQH Farms will use reasonable efforts to ship semen on a first call, first serve basis to the designated location. Mare Owner acknowledges that this Agreement does not guarantee semen will be available. PMQH Farms makes no representations or warranties, expressed or implied, regarding the semen delivered under this agreement, including without limitation, representations or warranties that the semen will safely reach the insemination point without losing its integrity, quality or other characteristics. PMQH Farms makes no representations or warranties, express or implied, regarding the delivery of the semen under this Agreement, and shall not be responsible for delayed, lost or mishandled deliveries. Semen will be collected only on established breeding days and no representations or warranties are made or implied that the semen will be available at the time requested by Mare Owner. Mare Owner hereby disclaims and releases PMQH Farms from any liability, damages, claims, causes of actions, or losses with respect to the breeding of the Mare, this Agreement and the shipment and collection of the semen, including but not limited to consequential damages, lost breeding opportunities or lost profits. Mare Owner agrees and acknowledges that PMQH Farms has not made and does not make any expression of warranty as to the quality or conformation of the foal or that the foal will be free of any infirmity, conformation defect, disease or inherited trait. PMQH FARMS DISCLAIMS ANY WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION WITH THIS AGREEMENT AND THIS BREEDING. The parties hereto specifically agree if a dispute between Mare Owner and PMQH Farms arises, Mare Owner's damages, expenses, costs and fees including attorneys' fees for such dispute, whatever the nature of the dispute, shall be limited to an amount equal to the breeding fee specified herein.

6. Live Foal Guarantee. PMQH Farms provides a limited guarantee that a single live foal will result from the breeding privileges granted herein. The term "live foal" means that a foal stands alone, nurses and lives for twenty-four (24) hours. If a live foal does not result from the breeding, Mare Owner shall be entitled to return the Mare or a substitute mare approved by PMQH Farms, for breeding to the Stallion for the following breeding season . If the Mare Owner chooses to exercise the option to rebreed in a subsequent breeding season, Mare Owner is responsible for payment of a \$300.00 rebreed charge and all transported semen charges and expenses for that subsequent season, but without payment of any further breeding fee. Mare Owner also remains subject to all terms and conditions of this Agreement. This obligation by PMQH Farms to rebreed will apply only if this Agreement is fully paid and the Mare Owner notifies PMQH Farms within forty-eight (48) hours of foaling that the Mare did not produce a live foal and within fourteen (14) days after the Mare Owner's notice to PMQH Farms, Mare Owner certifies to PMQH Farms that the birth was properly managed and also produces a statement from a licensed veterinarian stating details explaining the failure of the Mare to produce a live foal. It is agreed that this provision will be of no further effect if the Mare is taken to any other stallion before returning to the Stallion. If Mare Owner fails to rebreed the following year, then any and all fees paid shall be forfeited, the right to rebreed is canceled and PMQH Farms is released from all obligations of this Agreement.

7. Certificate and Multiple Foals. Upon notification of birth of a live foal and full payment of all fees and expenses and the performance of all other obligations of Mare Owner under this Agreement, PMQH Farms shall issue one breeder's certificate to the Mare Owner. Should more than one embryo or foal result from a breeding, Mare Owner shall pay an additional breeding fee, including the booking fee, for each embryo or resulting foal. Such payment shall be due within 60 days of breeding if embryos are flushed from the Mare or within two weeks of foaling in case of twins in order to receive a breeding certificate for the additional foals.

PMQH BREEDING CONTRACT

8. Substitution. If the Stallion dies, is unavailable, is sold or becomes unfit for service, and the Mare is not in foal, this Agreement shall become null and void and the breeding fee will be returned, less the booking fee and other expenses incurred to date. Alternatively, if frozen semen for the Stallion exists and is available, PMQH Farms may, at its discretion, make it available to the Mare Owner pursuant to the terms and conditions for shipped frozen semen. If the Mare dies before being settled, another mare may be substituted only upon express written consent of PMQH Farms.

9. Miscellaneous. It is further agreed: (a) this Agreement constitutes the entire agreement between both parties hereto and there are no binding agreements, understandings, restrictions, warranties or representations between the parties other than those set forth herein;

(b) this Agreement cannot be amended except in a writing executed by all parties hereto; (c) this Agreement may not be assigned or transferred in any manner, absent the express written permission of PMQH Farms; (d) this Agreement shall be governed by the laws of the Commonwealth of Florida and shall be binding upon the heirs, personal representatives, successors, agents and permitted assigns of the parties; (e) all actions concerning this Agreement shall be instituted in the Marion County Circuit or Superior Courts, Ocala, Florida, or in the United States District Court for the District of Florida. PMQH Farm and Mare Owner irrevocably and unconditionally submits to the personal jurisdiction of said courts; (f) Mare Owner acknowledges that failure of PMQH Farms to require performance of any provision of this Agreement shall not affect PMQH Farms’ right to later require performance, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself; (g) the person executing this Agreement on behalf of the Mare Owner is fully authorized to execute this Agreement on behalf of Mare Owner; (h) should it be necessary for PMQH Farms to employ an attorney to enforce any of the terms of this Agreement, including collection of money owed, Mare Owner shall pay all attorney fees, paralegal fees, accountant fees and any other costs or expenses incurred by PMQH Farms; and (i) Mare Owner acknowledges that PMQH Farms acts solely as agent for the owner of the Stallion, and PMQH Farms will be bound by the terms of this Agreement only for so long as PMQH Farms is designated as the agent for the Stallion.
